

DeviceAnalyzer::DeviceAnalyzer

```
graph LR; A[DeviceAnalyzer::DeviceAnalyzer] --> B[DeviceAnalyzer::createPortDistributionChart]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'DeviceAnalyzer::DeviceAnalyzer'. The right box is gray with a black border and contains the text 'DeviceAnalyzer::createPortDistributionChart' on two lines.
