

ScanTask::run

```
graph LR; A[ScanTask::run] --> B[NetworkScanner::lookupMac Vendor];
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text 'ScanTask::run'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box has a black border and contains the text 'NetworkScanner::lookupMac' on the top line and 'Vendor' on the bottom line.

NetworkScanner::lookupMac
