

ScanHistory::clearHistory

```
graph LR; A[ScanHistory::clearHistory] --> B[ScanHistory::historyChanged]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'ScanHistory::clearHistory'. The right box is white with a black border and contains the text 'ScanHistory::historyChanged'. The blue arrow points from the right side of the left box to the left side of the right box, indicating a sequence of events or a dependency.

ScanHistory::historyChanged
